Scientific Association "Physics-Sun" Physical-Technical Institute

International Conference  
«FUNDAMENTAL AND APPLIED PROBLEMS OF PHYSICS»  
June 13-14, 2017, Tashkent, Uzbekistan.

**Call for papers**

Announced call for papers for the International Conference "Fundamental and Applied problems of Physics" at Physical-Technical Institute, on June 13-14, 2017, Tashkent, Uzbekistan. Papers should represent the research results achieved for the last three years, and scientific reviews on the corresponding scopes of conference in English, Russian and Uzbek languages.

**Conference Topics**

- Nuclear and high energy physics
- Semiconductors and solid state physics
- Renewable energy sources

**Important dates**

Submission of paper: **01.02.2017**  
Deadline for submission: **31.03.2017**  
**10.04.2017**  
Notification of acceptance: **15.04.2017**
